Sub: Report of the Annual Camp Activities

Dear Sir

Waymade College of Education believes in societal development by providing quality teacher educators. The vision of the college is also in line with the motto of National Service Scheme i.e. allround development and societal reconstruction. The college organises various activities to realize the aim of NSS, one of them is Annual Camp.

This year the annual camp was organised at Jadavpura village, near Chaklasi, between 29th February and 4th March. The college has a unit of 50 students, wherein 25 students had joined the NSS camp. There were many activities planned and executed during the seven days which were appreciated too by villagers and school teachers of Jadavpura. The activities were not only academic but also pertaining to other aspects of personality.

The list of students who attended the camp and the schedule of activities for all the seven days with proceedings in brief is enclosed with this letter.

As the NSS Programme officer at the college, I take this opportunity to thank you in facilitating the organisation for the camp.

Looking forward to your positive response,
